(Designation) Chief Conservator of Forests.

To The Secretary to the Government of Madras,
DEVELOPMENT Department.

Sir,

A Ranger is now employed on special duty for the enumeration of Hopea trees in the unreserves of the North Mangalore Division. In order to enable the Ranger to discharge his duties satisfactorily it is essential to employ a peon under him, as in the absence of a peon he is much handicapped in his work and he has to go and search for the village officials himself and has no one to help him in getting his communications served on the Shanbhogues. It is not possible to detail a peon from the sanctioned staff of the Division. It is anticipated

that the special work will be completed by the end of April 1933, and it is requested that Government be -- pleased to sanction the employment of a peon on Rs.12/- per mensem under the Ranger until the completion of his special duty. The extra cost will be met by reappropriation from the sanctioned allotment.
